I. Intangamarara

Abana ba Isirayeli babandaniye urugendo batumbereye kwinjira mu gihugu c'isezerano Kanani. Aha bari bavuye ahitwa Oboti baragenda bacumbika ahitwa Iye Abarimu mu gihugu c'Abamori kirabana n'ic'i Mowabu. Mose atuma kuri Sihoni umwami waho ngo abareka birenganire, aranka, aca abategesha abasirikare bo kubarwanya. Imana ibwira Mose ko batobatinye ko ibagabuye mu maboko yabo.

II. Amasezerano y’Imana ku b’Isirayeli.

Amajambo yo mw’itanguriro 15 :13-16, ni Uhoraho yariko ayabwira Aburahamu mu gihe yariko aratanga ikimazi. Ku kirengazuba yasinziye, aca abwirwa ko abamukomokako bazomara imyaka amajana ane ari inyagano mu kindi gihugu, bakazogaruka bakegukira aka karere, aho Mose ageze. Igihe co gusinzira cabaye kuri Aburahamu, cerekana igihe c’umwijima Abisirayeli bamaze bari mu mibabaro. Ni igihe umuntu amaramwo akiri mu vyaha.

Icaha gikurikirwa n’igihano, nk’uko Imana yabivuze, Egiputa yaraciriweko iteka imbere y’isi yose. Iratsindwa n’abagurano bayo, ababoneka batagira ububasha na buto, nta birwanisho, nta mashuri bize, nta butunzi,.. Ariko batsinda igihugu c’igihangange muri ico gihe. Igihe cose Imana isezeranye, naho wobona ko vyatevye, irabishitsa. Kandi iyo igomba gutabara abayo, ntisaba imfashanyo. Irikwije mu nkomezi.

III. Icaha vy’Abamori.

Abamori cari Igihugu c’inkomezi kimwe mu bihugu bigize umuryango w’Abakanani. Bari abanyavyaha bagasenga ibigirwamana. Mu gihe ca Aburahamu, Uhoraho yabona ko hataragera ko bahanwa kuko ibigabitanyo vyabo bitari bwuzure.

Uhoraho kuko ari umunyakuri, ntiyihutira guhana igihugu canke umuntu acumuye, amurindiriza kwihana. Atihanye, hariho umurongo w’amabi, mugihe uwurengejeko, igihano kiba gishizwe mu ngiro. Urashobora gukora icaha rimwe, kabiri, canke akarenga, ukabona Imana ntinavyitayeho, ariko rindira gato, uzokora kimwe ube ushikiye umurongo utukura, aho niho uzoca ubona ko Imana atari idakinishwa. **Imigani 29:1** « *Uwuhanurwa kenshi akagamika izosi, azovunagurwa giturumbuka atagira gitabara.* » ishobora kuguhana mu kukumaramaza imbere y’abantu bose. No mu gihe co guhana kw’Imana, ntawuyitangira.

Kuri aba ba Mori, haheze imyaka amajana ane, igikombe c’ivyaha vyabo kiba kiruzuye, bagira bibonere ingene Imana ihana abanyavyaha. **Umusig. 8:11**

« *Urubanza rw’igikorwa kibi, naho ruciwe, ntirushirwa mu ngiro vuba nico gituma imitima y’abana b’abantu ihangara gukora ikibi.* » urubanza rwabo rwari rwaraciwe, hasigaye gushirwa mu ngiro. Nico kimwe n’abakora ivyaha, kuwanse kwihana, igihano ni urupfu.

IV. Icaha ca nyuma gikurikiwe n'igihano.

Mose yasavye umwami w'abamori kubareka bakirenganira. Amwizeza ko ata kintu ciwe bazonona. Ariko kuko bamaze kuzuza igikombe c'ivyaha, Imana ikaba igomba kubahana no gushitsa isezerano rya Aburahamu, barabura umutima wo kwemera iyo nama. Baca baja kubategera n'ibirwanisho, batonda urugamba.

Imana ibwira Mose kubarwanya no kubarandura. **Umur wa 24** « *Abisirayeli bamutsisha inkota, baca bafata igihugu ciwe...* » Aba Mori baba baribagiranye, ibihugu vyabo vyegekura Abisirayeli.

Ni kenshi Umuwanizi Satani atemerera abantu kurengana ngo bave mw'isi ya kera baje mu gihugu c'isezerano'ariko hamwe no kwizigira Yesu Kristo, abenshi bariko bararengana amahoro.

V. Gushira mu ngiro.

Nk'uko ijambo ry'Imana rivuga, ivyabaye ku b'Isirayeli vyatubereye akaroreo. Uhoraho abona vyose kandi hose. Abamori bari baribwiye mu mitima ko naho boshishikara gukora ivyaha, Imana itavyitayeho. Igikombe cuzuye, barahanwa n'ukuboko kw'Imana, bazimangana mw'isi. Abana b'Imana begukira igihugu cabo. Imana ivuga ngo : « *Mpwemu wanje ntazokwama aranyinyurana n'umuntu ibhe vyose, kuko ar'uw'inyama gusa* »

Niba hari icaha wakoze kandi ukibandanya gukora, ni wihane uyu musu bigishoboka, nutabikora, usigaye gukora kimwe ube urenze umurongo. Aho niho uzovunagurwa giturumbuka utagira gitabara. Naho vyoteba, urupfu rwa kabiri ruhora ruraririye umunyavyaha.
